

# APPETIZER

Together in smaller groups you cook your appetizer outdoors. In one hour, the teams will prepare the appetizer with the help of first class raw materials, open fire, Muurikka and cookingtools.

Everything will be judged by our instructors, keeping time, planning, cooperation, presentation and, of course, the taste. In fine weather, we enjoy the appetizer outdoors under the sky or else we take it into the restaurant.

4 - 6 persons per team.
