

# ARCHERY

Archery is one of our most popular activities. Our skilled instructors will teach you and arrange the activity in a comprehensive way.

Archery is an activity that really lives up to the motto “a minute to learn and a lifetime to master”, thus we can always make the event more exciting by giving the participant new challenges.

Usually we start with instruction and practice and end the activity with a competition. We shoot with professional bows on internationally approved target sheets, and depending of the size of the group we compete individually or in teams.
