

# MUSIC QUIZ

We tailor make a music quiz especially for you depending on how the composition of your particular company looks like.

## Package 1:

If you choose the "analogue" package, You answer on an answersheet with paper and pencil. Classical music quiz simply. The questions are played from a computer and some questions are played live (guitar & vocals) in troubadour style.

## Package 2:

If you choose the "digital" package, smartphones are used as mentometer buttons. Then the team chooses one of four answer options on the screen and the standings between the teams can be seen in real time on one projector screen! Exciting and nerve-wracking. The questions are played from a computer and some questions are played live (guitar & vocals) in troubadour style.
