Participants: 12 - 300 persons

Recomended time: 2 hours

Prices are valued excluding Swedish VAT

COOPERATION

INGENIOUS

CREATIV

COMPETITION

Raft Construction "Kon-Tiki" is larger and more advanced than our normal raft construction event.

This activity demands creativity and is suitable for groups looking for competition as well as to improve cooperation within the group. With floating barrels, tarpaulins, rope and wood, each team design and construct their own raft. Everything ends with a contest or a longer voyage where all rafts and their crews are tried out.

6 persons per team.
