

TROTting HORSES

At Ådö, about 30 minutes from Stockholm you will have the unique opportunity to drive trotting horses trotting along with their coach. Seated in the sulky behind the horse, you may drive on the circular track and if time and weather permits maybe even a drive on a track in the forest. Be prepared for an exhilarating experience that is a must for all who have ever gambled on horses.

You will be provided protective gear (clothing and helmet).
